The chair spoke about the suggested edits to the Plan from the clerk (Appendix 1) with regards to grammar, punctuation, spelling and formatting and the response received on behalf of the SG (Appendix 2). He said that his suggestion would be for Cllrs to consider approving the Plan this evening, subject to the formatting issues being corrected prior to submitting the Plan to Hart DC. He said that he would be proposing a resolution based on these terms. The meeting was reminded by Cllr Fellows that the submission Plan given to OPC had been approved for submission by the SG.

Each Cllr present was then given 3 minutes to talk about the Plan (Appendix 3). Thanks were expressed by a number of Cllrs to the SG for all of their hard work; to the public for all of their input and participation and to the office, particularly to the clerk for her work on the Plan.

It was resolved to approve the submission of the Neighbourhood Plan to Hart DC subject to the suggested formatting issues that Cllr Robinson-Giannasi and Steve Blandford will make to the Plan together.

Cllrs Bell, Fleming, Fellows, Robinson-Giannasi, Stewart and Worboys voted in favour of this resolution, Cllrs Faulkner and Harris voted against it.
