Odiham Cemetery 2015 **Headstones laid down at memorial check**

Work has now been completed on the checks of all the memorials in this burial ground. A number of memorials were identified as posing a risk, and these have been laid down on the grave area. These memorials may be reinstated by the registered grave owners, but it must be stressed that this work should only be undertaken by BRAMM or NAMM registered mason and that the form for permission to repair or replace a memorial should be completed and returned to the parish office prior to commencement of the work.

If you have any queries about this work, please contact the cemetery officer via the parish office on 01256 702716 or via email admin.assistant@odiham.org.uk
