

Odiham
Parish Council

Work to Non-compliant Graves

Please be advised that Odiham Parish Council has appointed a contractor to carry out work on several graves in the later part of the lawn cemetery which do not comply with the Cemetery Regulations.

The contractor has instructions to clear, level and turf the graves which are still not in accordance with cemetery rules. Owners of these graves have been contacted three times, but as the graves remain non-compliant, Odiham Parish Council has been left with no choice but to rectify them at a cost.

To remind you, the current rules state that graves may have a headstone which incorporates one or two flower vases. No planting, flower containers or other objects may be within the grave space. Glass and breakable items are a safety hazard and will be removed to the porch of the north chapel.

Thank you for your understanding.
