

CELEBRATING CARERS THROUGH ART

3 Week TASTER COURSE

Kick start your creativity with three relaxing, fun, arty taster sessions!

No experience necessary. All materials provided.

Collage

Wednesday 12 June, 2 - 4pm

Come and cut up some paper and explore collage making. In this workshop, you will learn some tips on materials and play with proportion and scale to create your own artwork.

Painting

Wednesday 26 June, 2 - 4pm

Discover your inner artist and learn to paint in a fun and supportive environment. You will be shown basic techniques to create a still life canvas.

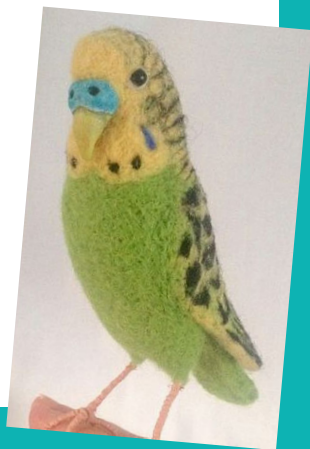

You don't need to have any painting experience, just a willingness to have a go!

Needle felt modelling

Wednesday 10 July, 2 - 4pm

You will be introduced to the magic of dry needle felting including all the basic techniques to create a 3D model bird. With small stabbing actions you will knit wool fibres into a form that will grow very quickly into your very own bird.

It's a fun, relaxed environment to try and develop a new skill.

Our taster sessions are a great way to spend some relaxing time away and channel your creative energy.

LOCATION: West End Centre, Aldershot

This course is free but all three sessions must be attended. Please book your space in advance.
