Dear Odiham Parish Council

Subject: **Application to modify the Definitive Map – Odiham – CR 1249**

We confirm that your application documents were received on 24 April 2019.
Your application has been allocated the reference number - Claim Reference 1249
Odiham

Your application has been added to the register and waiting list of those applications
awaiting investigation.

Please be advised that we have a very large number of applications to modify the
Definitive Map, it may be some time before your application is taken up for
investigation by a case officer.

For your assistance, herewith is the link to our web page where you can view the
Register waiting list.
